

Financial Services For Successful Agriculture

Input Financing Program for 2023

The Cooperative Finance Association, Inc., (CFA), is a financial cooperative that has served the agricultural industry since 1943. Your Cooperative Elevator Co. partners with CFA to provide a proven input financing option for our patrons to consider for their 2023 cropping enterprises.

An application for CFA's Simpli-Fi Production Ag Loan Program can be found on their website at www.cfafs.com

For more information, contact your local agronomy office, or give Chuck Squires a call at the business office in Pigeon.
